

Central Medicine Warehouse,

NEW YORK, March 1st, 1867.

DEAR SIR:

We herewith present to you our Annual Medicine Catalogue, comprising all the principal articles which sell in this market. The Prices of same are regulated according to Proprietor's present rates, and calculated to be full high. We do not wish to be understood, however, that we cannot sell any lower than the figures herewith annexed, but shall be pleased to give special quotations at any time; or, should you favor us with your confidence and send orders by mail, or otherwise, shall endeavor to give entire satisfaction as to prices, promptness of delivery, &c. &c. Buying these Goods direct from Manufacturers, in large quantities, at their lowest prices, and being under very light expenses (compared with other Houses) enables us to sell from three to ten per cent. lower, and still make a fair profit.

☞ All orders should be accompanied with full shipping directions.

N. B.—We do not insure the delivery of orders without breakage, and cannot replace or allow for such breakage—your recourse is upon the Transportation Company. We take every precaution in Packing, and after Goods leaving our Store in good order, our responsibility ceases. We are obliged to adopt the same rule, also, in regard to articles liable to Frost, such as Laird's Bloom of Youth, Citrate of Magnesia, &c. &c. A supply of these articles should always be purchased previous to cold weather setting in.

TERMS:—The Jobbing of Proprietary Medicines allows but a very small margin, and it is necessary for us to receive prompt payment and turn the money often, consequently the trade will observe that our terms are NET CASH or prompt payment of our statements when rendered.

Very respectfully,

C. N. ORITTENTON.

“CHEVALIER’S LIFE FOR THE HAIR.”

TO THE TRADE:

Having sold the above article for a number of years, we find it gives universal satisfaction, and the sale of same constantly increasing. We think we have not got at the present time a customer who does not sell the article, if so we would suggest to them to purchase at once, as also any of the Druggists who receive this Catalogue, as we are confident that by recommending and selling this article they will give entire satisfaction to their customers. It not only restores gray or faded hair to its original color and beauty, but is at the same time a superior Hair Dressing.

Very Respectfully, &c.,

C. N. CRITTENTON.

CHARLES N. CRITTENTON,
